

Millburn Soccer Club
Policy on Secondary Permissions

It is the policy of Millburn Soccer Club (“MSC” or the “Club”) that secondary permission, colloquially “double carding,” of travel team players will be permitted for members of the club under the following conditions:

1. The member of the club will certify that the member meets the New Jersey Youth Soccer Association and applicable league qualifications to obtain secondary permission to play with another club travel team
2. The member seeking permission to play on a secondary permission must request and receive permission from the MSC Board of Directors to play with another travel club team on secondary permission. The decision to grant a requesting member’s request for secondary permission shall be in the sole discretion of the Board of Directors.
3. The requesting member must certify that MSC will be the primary club affiliation of the member-player, and that MSC games, events, and obligations will take precedence over any games, events, or obligations of the secondary travel club.
4. If MSC grants a member secondary permission to play with another travel club team, and that member fails to honor their obligation to give priority to MSC games, event, or obligations in the event of a conflict, the offending member’s ability to continue with the secondary club may be revoked in the sole discretion of the MSC Board of Directors, consistent with New Jersey Youth Soccer Association and applicable league rules governing secondary permission.
